Select Soccer Tryouts 2012

(Sign-ups for Recreational teams will be held later in April and in May.)

Tryout dates have been set for the WESCO Competitive teams ("Division 3"). Players who do not attend at least one of the try-outs may not play on a "Select" team but players are encouraged to attend as many tryout dates as possible.

Division 3 play is for players who are committed to advanced skills development, who enjoy tournament play and who will play a somewhat longer season than recreational ("Div. 4") play. Typically, one-half of all *Select* games are played in Sebastopol, and one-half are played in towns within a 1-hour travel radius of Sebastopol. Div. 3 teams play in 2 "away" tournaments plus our "home" event in Sebastopol. We encourage ALL PLAYERS to attend tryouts; if you are selected for Div. 3 play, you can still decide to remain in the recreation program if you prefer!

Playing Up: If you are interested in playing up an age group **you must attend your correct age group AND the age group you wish to participate** in. Play-ups must be ranked at the top 1/3 of the players who qualified to play Div 3 and are being chosen in order to be considered for the team.
